

## **February 28, 2015 - 4 Seasons Recreational Club Monthly Meeting**

Secretary's Report was approved as read on a Dick/Deb motion.

Treasurer's Report was approved as read on a Deb/Colleen motion. Thank you to View Point and Chipmunk for their donations from pull tabs and meat raffles.

### **Old Business**

- Trails are in poor condition due to lack of snow. The gates were opened this week at the request of the Swords club for their poker run.
- Trail reroute was postponed as the county wanted to review the route. They have approved and Haawkinsons should be out this week to clear the trail.
- Discussed possible dates for Business Appreciation which will be in April. Jack will finalize within the next couple of weeks.
- Swords poker run is today. Volunteers will be at our commercial member businesses to help stamp cards.
- Cap Step Posters have been printed and distributed with membership cards.

### **New Business**

- Chuck suggested alternate prize ideas for the summer raffle. It was decided prizes would be the same as last year. Doris will order raffle tickets and door prize tickets.
- We need to set a date for the Open House. We are trying not to conflict with the annual activities of our commercial members, so it was agreed we would wait until the next meeting as tourism should have the summer schedule finalized. We also need ideas for something to attract people.
- Meat Raffle volunteers for 3/7 Deb and assistant TBD. No meat raffle on 3/21 as Chipmunk will be closed.
- Bill, Jon and Dick went to the groomer show and looked at mowing equipment. Lulich has a trade in brush head that is \$16,998 new and offered to us for \$8900. They also have a new drag designed for ATV trails. Cost is \$14,000.
- A Deb/Doris motion passed to reimburse Bill for mileage to the show.
- Chuck purchased some Polaris hat/scarf sets that were on clearance to be used for door prizes for Food and Fun. A Jon/Deb motion passed to reimburse Chuck for the cost of \$39.96.
- The Youth Turkey Hunt is scheduled for 5/15.

Meeting adjourned on a Deb/Dick motion.

Respectfully submitted,

*Doris Youngquist, Secretary*
