

June 30, 2007 - 4 Seasons Recreational Club Monthly Meeting

The secretary's report was approved on a Charles, Dennis motion.

The treasurer's report was approved on a motion by Dennis, second by Charles. Thanks to the Golden Chipmunk for a tremendous donation.

Old Business

- The Flea Market made about \$176.00.
- Bob H took down the incorrect ATV sign at Lost Lake Rd. and #41.
- We had 24 students in the ATV Safety Class this year. The class went well, and thanks to those who donated time and goodies.
- I will wait to hear from Mick before ordering rides for this year. There may be a chance to get a horse and buggy to give rides as well.

New Business

- We have two requests to open up the Town Ordinance to add road routes. They were discussed. Motion by Dennis, second by Mick to write a letter to the Town of Wascott to give our approval of the requests. Motion carried.
- I have a sweatshirt to be our prize for the Wascott Summer Stampede.
- We received a thank you from Tom Anderson for the flowers for Bev's funeral.
- I had a request to pay \$326.65 for outstanding bills. Motion by Mary, second by Kay to pay. Motion carried.
- Tim: This is final day for billing for trail work. The Wascott Fire Dept. may be asking for help in buying tables and chairs for their use at the fire hall. He will know more next month.
- Charles had information on flag poles if we were interested in doing something like that at the ball park. We also had a price on a swing set with playground equipment that would work well at our park. We will discuss more next month when Mark is here. He has a list of some things that need to be worked on.
- Jon suggested that we purchase some new canopies since they are on sale now and we could use more at F&F. Motion by Jon, second by Tim to purchase two more. Motion carried, Jon will get them.
- We need to get out and do some trail work. Motion by Charles, second by Tim to purchase a chain saw and limber for the club to have for trail work. Motion carried.
- Discussed fixing the corners on our trail. We will let Chuck and the grader do what they can do and then if needed, we can look into hiring a dozer to go through the trails once to get them smoother. This would be a fundable expense. Maybe the best time for trail work would be Sept./Oct. when it is cooler.
- Motion by Charles, second by Dick to get the outhouse pumped and buy chemical for it. Motion carried. Jon will call to have it done and also reserve for the F&F Day.
- Motion by Mick, second by Dennis to buy and donate a club sweatshirt for Septemberfest for the Northwood School Foundation. Motion carried.

Next meeting is July 28th.

Respectfully submitted,
Patricia McDermott
