Old Business

- Received a bill for the club's ad on the winter NW Trails map. A Mark/Marlene motion passed to pay the bill. Jean will amend the ad to include "Like us on Facebook" and the rest of the ad will remain the same.
- We received a letter of support from Wascott Area Tourism and the Town of Wascott for the proposed trail along County Road T. Pogo's is also completing a petition that Chuck will collect and include with our application to the County. We need to have our application to NW Trails by 10/6 and it will be presented to the Committee for review in November. Jean and Greg have said they will attend the meeting. Chuck will get the date, time and location of the meeting from Brad Corbin and let everyone know so we will have representation there.
- Jon reported that the trail reroute has been roughed in. We need clean up the downed branches and limbs and install a couple of gates, fences and posts. We also need to brush the snowmobile trail. A Mike/Mark motion passed to get the necessary supplies. A work day has been scheduled for 10/17. We will meet at the building at 9:00. Workers can bring pruners, chainsaws, etc if they have.
- Thank you to all volunteers who helped with Food and Fun and thank you to Colleen and Bill Grammond for handling the raffle tickets. Reviewed suggestions from the post Food and Fun meeting which we will revisit in the spring to discuss when planning next year's event. We handed out 760 door prize tickets. Jean should have final accounting at the next meeting when all bills are paid.
